

BCEA Scholarships

Since its inception in 1998, the BCEA has awarded \$10,000 each year to dependants of BCEA member employees. Scholarships are awarded to students enrolled in full-time studies at accredited post-secondary educational institutions.

In addition to the BCEA Scholarship Program, the BCEA administers *The Tommy Haddock Memorial Scholarship*. This \$1,000 award is available to students pursuing a career in the electrical industry. The recipient this year is Joseph Grubba.

Congratulations to the scholarship recipients shown below.
